MIDDLETOWN DECLARES PARKING BAN

In anticipation of the snow storm, Mayor Daniel Drew is declaring a parking ban effective at 6 AM, on January 24, 2015 2014. The Department of Public Works requests that you make arrangements to remove your vehicles parked on City streets. Should you

need off-street parking, you may park at the following municipal parking lots.

Melilli Plaza
Broad Street/Kidcity
Broad Street/Russell Library
Arcade Upper Level Entrance (Court Street)
Kings Avenue Lot
Green Street Lot
Hubbard LL Baseball Lot on Dekoven Drive
Grand Street annex Lot at Corner of Main Street
Grand Street/Community Health Center Lot

Parked vehicles on City streets must be removed by 6 AM or run the risk of being towed by the Middletown Police at the owner's expense. If a vehicle is towed during the parking ban, you may claim the vehicle by contacting the Middletown Police Department at 860-638-4000. All payments, i.e., ticket and towing charges, must be paid at the Police Department before a vehicle is released.

The Mayor asks for everyone's cooperation. Due diligence will be exercised but safety will remain a priority. Please help the Public Works Department employees to properly clear all City streets.
